GOSPEL-FUELED MERCY, KNOWLEDGE & SERVICE

LUKE 10:21-42

The Good Samaritan (v.21-37)

1. The Lawyer -- Wants to test Jesus' teaching and justify his own actions.
2. The Priest -- More concerned with his priestly duties than helping someone in need. Rather than risking defilement, he shows no compassion.
3. The Levite -- Like the Priest, he chooses to show no compassion. He takes a closer look than the Priest but this observation doesn't lead to any action.
4. The Samaritan -- Shows compassion on someone that hated him. Instead of being this battered Jew's worst nightmare, he comes to his rescue.

Mary & Martha (v.38-42)

- "One thing," "necessary," "good portion"... Jesus isn't saying that service is bad, but He is saying that knowing Him and learning from Him is of first importance.
- Serving Jesus must not replace knowing Jesus.
Knowing actually fuels serving.
- Don't equate busyness with faithfulness.
