

IT'S NOT THE END OF THE WORLD

LUKE 21:5-38

Jesus is using the coming destruction of Jerusalem as a reminder of what is coming at the end of the age. Just as judgment will come upon Jerusalem in this generation, so will the Son of Man come again at the end of the age.

The passage points us to readiness. It's not so much an end-times road map as it is a prophetic call to be ready at all times for Jesus' return.

1. Since Jesus is returning, do not be _____ or _____. (v.8-24)

- By false _____.
- By news of _____.
- By the threat of _____.

ACTS 6:8-15; 7:51-57

2. Since Jesus is returning, stay _____ and _____. (v.25-36)

DANIEL 7:13-14

- Because _____ is near.
- Because _____ will deceive you.
- Because you need _____ to escape.
