

CLOTHED IN HUMILITY; EXALTED IN MAJESTY

PHILIPPIANS 2:5-11

In coming to save us, Jesus shows us what it means to be truly humble.

How Jesus Models Humility

1. **Jesus' _____ is far superior to our own. (v.6a)**
2. **Jesus' _____ doesn't prevent Him from serving. (v.6b-7)**

HEBREWS 4:14-15

"One of the reasons giving up our resources is so difficult for us, and often spectacularly ineffective, is because we try to give away our resources while clinging to our rights. But Jesus set aside His rights before He gave up His resources. In God's grace and provision, the use of our rights and resources are always connected." - Kelly Kopic

3. **Jesus' _____ extends beyond what we are willing or capable of. (v.8)**

ROMANS 5:6-8

"The trouble, of course, is that it is our very pride that keeps us from being healed of our... pride. So before we can even begin to answer His call to come to Him, Jesus comes to us. Because we could never sufficiently humble ourselves, Jesus humbles Himself. And by doing so, He became both the model and the means of our own humility. Through His life, death, and resurrection, Jesus shows us our true identity as people dependent on God for life. And through His life, death, and resurrection, He imparts this humble life to us once again." - Hannah Anderson

4. **Jesus' humility gives way to _____. (v.9-11)**

HEBREWS 12:2
